**JIMBARAN MASSAGE:** It is a kind of massage where the massage technique in Bali massage is applied by two therapists in combination. The massage is applied with four hands. After the massage, you will feel deep relaxation.

In the massage, it is aimed to make the person who takes massage rested and relieved after the massage.

**ANTI STRESS MASSAGE:** After the one-hour anti-stress massage session that is practiced with aromatic oils, you will feel a full relief and serenity. The technics in the massage are slow and deep.

**HAMMAM SULTAN MASSAGE:** The traditional "hamam" massage is fulfilled by two people. You will completely feel relaxed after the massage with foams in the hot atmosphere of "hamam" and navel Stone.

**HOT STONE MASSAGE:** Hot stones massage is massage type which is developed by Mary Nelson, massage therapist. It is a kind of massage applied by heating basalt stones with a high iron density and putting them on the key parts of the body and is applied with stones by a therapist. After the basalt stones slowly give the heat, you will completely feel free from jitters and rested after the massage.

**DEEP TISSUE MASSAGE:** It is a massage that is done by applying deep pressures with a low pace to the muscles, ligaments and connective tissues in the deep parts for situations such as Chronic pains, limitations in motive power, postural problems, chronic muscle jitters, fibromyalgia.

**SHIATSU MASSAGE:** It is based on acupuncture. It is a kind of massage that is done by stimulating acupressure spots with different various pressure techniques for the aim to benefit from resting or healing effects.
